**Introduction**

This is the blanks version of the ebook I put together, which features the Roman Numeral chord numbering method. [http://musingsofaministerswife.com/100-chord-sheets/](http://musingsofaministerswife.com/100-chord-sheets/) You can use this book in tandem with the original to transpose each song into your preferred key.

I do not own any of the material in this book, and I have not and will not be compensated for any of the material in this book. I am providing this in hopes that there are others out there whom will benefit from this layout.

I have tutorials for some of these songs on my Youtube channel ([http://www.youtube.com/user/mamamellymartin](http://www.youtube.com/user/mamamellymartin)) and on my blog ([http://musingsofaministerswife.com](http://musingsofaministerswife.com)). I keep the tutorials very simple and explain theory as I go along. If there is a song that you would like me to do a tutorial on, message me.

It's Real It's Real

Chorus

It's real it's real, I know it's real,

This Pentecostal blessing and I know I know it's real

It's real it's real, I know it's real,

This Pentecostal blessing, and I know, I know it's real

Verses

When I heard of Pentecost I thought it was a shame,
Some were shouting hallelujah some were prostrate on the floor,
So I stayed a little longer wondering what my folks would say,
I started to the altar with a hunger in my soul,

That such unholy teaching could be preached in Jesus' name
Some were running in the spirit from the pulpit to the door
For I knew they did not like them of that Pentecostal way
I didn't care who saw me for the spirit bade me go

They said it’s in the Bible and I did not want to doubt,
Some were quaking some were shaking as one by one they fell,
For just a day or two ago I heard my daddy say,
I raised my hands toward heaven and let God have his way,

So I went on out to see them to hear them sing and shout
I looked at one that shook so hard I thought he'd had a spell
"When I got religion I did not act that way!"
And praise the Lord He filled me in that Pentecostal way!

Offering (Paul Baloche)

The sun could not compare to the glory of the Your love

There is no shadow in Your presence

No mortal man would dare to stand before Your throne

Before the Holy One of heaven

It’s only by Your blood and it’s only through Your mercy, Lord, I come

I bring an offering of worship to my King

No one on earth deserves the praises that I sing

Jesus, may You receive the honor that You’re due

Oh, Lord, I bring an offering to You
